DAY 1 – 21st June 2018

- The welcome note was given by the Director, Vice-Chancellor, and the President, and the inaugural ceremony was followed up after the welcome note.
- The Advisor introduced the council and the new treasurer designee to everyone.
- Then Unit Designee of DC college of Architecture presents the entire Audit of 60th Annual NASA Convention and the event Video.
- The Advisor tells everyone that now NASA is a registered logo trademark and is now changed to R.
- Advisor introduced the internship forum and the magazine, thought paper scissor (NASA Newspaper).
- Discussion continued about how annual meetings can be helpful for all USecs and UD's.
- Some were saying they can't participate because they have their university exams for zone 2.
- Some ideas were coming regarding convincing faculties and HoD's to be a part of NASA and help students and include trophy works in their academics.
- One person comes up with ideas to give participation to faculty also in NASA
- Final Audit was shown by the secretary.
- The Department of National Strategic Committee was introduced to all USecs and UD's.
- Presentation by Each Zonal President presents their last year's zonal report.

DAY 2- 22nd June 2018

- From Starting the Focus and Aim of our association is to fill the Gap between The Students and Professors, to fill the gap between students and NASA and so the Theme was also in Last year is reflection NASA wants to reflect the past 60 years work and experience there in the 60th-year convention.
- Students are facing problems in exploring new ideas. The idea is they want to communicate more and fill the association and student gap.
- the secretary and president gave the idea to form the National Strategic Committee in which each council member will handle a department. USec's and UD's were distributed evenly amongst these departments to work more efficiently and prove to be beneficial.
- Discussion about the HQ how it works and How TD is selected for the next council and how the SPA unit and HQ works Separately.
- The Treasurer shows the budget and voting is done for passing it and It Passes.
- ANDC Coordinator Shreyansh is Introduced to everyone and Discussion on ANDC going on like what is brief how it works USec's tell the importance of ANDC.
- Brief release of the 61st year so people are asking why it is so complicated. The advisor tells that if you crack the brief then only you stand in ANDC only and all discussions led to Understand the ANDC key functioning, importance, criteria and Entries.
- Bid for the 61st year Convention was shown by SJB School of Architecture and Planning.

- Their idea was to Go Green this time and make the convention healthier. She proposed many ideas regarding whether they will buy mattresses and then donate to homeless people because renting charge for 5 days is more than the actual cost of mattresses.
- Some ideas of planting by delegates and reducing the use of plastic and save paper are introduced.
- One way is to delegate unpinning their sheets after completion of the jury and that's how paper can be saved.
- Apart from that the temporary structure built during workshops can be made as permanent as it gives more practical experience and also a fixed structure.

DAY 3 – 23rd June 2018

- The Secretary announced the list of removed units
- Colleges were giving presentations for membership, the secretary called the college one by one.
- Discussion on changes and new ideas on all trophies started.
- HUDCO, LIK, GSen,
- HUDCO is a big trophy so getting its book is valuable for colleges.
- Some USec want to increase prize money for HUDCO.
- LIK is a documentation trophy and a big trophy so more participation should be needed.
- LIK becomes Digital now.
- The discussion was going on the trophies LIK becomes Digital now.
- Nari Gandhi Trophy is yet to be finalized whether to be dissolved or not.
- GRIHA shifted to group C trophy.

Day 4 – 24th June 2018

- Introduction of a New Special Trophy.
- ALL 6 Zones voted for having more hands-on trophies.
- Discussion on judging criteria of hands-on trophy.
- Discussion on Green Convention, less use of paper and more digital use.
- Discussion on having digital exhibitions and problems in it.
