**DAY 1 – 30<sup>th</sup> November 2018**

**MORNING SESSION (12:50 PM to 02:10 PM)**

- **Introduction**
  - Attendance was taken.
  - Due to the absence of ZP 2 and ZP 4, Acting ZPs were appointed for the respective Zones.
  - Abhay Bhagri, 61st year Convenor was introduced to the General Council.
- **Legal Proceedings**
  - The 12A/80G certification was explained.
  - The purpose of the audit along with sources of income (especially need of Subscription fee) was discussed.
  - The process of audit preparation was explained.
  - The significance of 13<sup>th</sup> September 1993 was repeated to the General Council.
- **Zonal Reports**
  - The Zonal Report of Zone 1 was presented by ZP1, followed by acting ZP2, ZP3 and ZP6 giving the presentations of their respective Zones.
  - A more formal video for social media upload was recommended that focuses on the trophies and leanings keeping culturals to be very minimal.

- Due to some issues faced in ZNC pinups, discussion moved towards details and procedure of Reubens pinups in different Zonal conventions. A college recommended having a trophy exhibition at the beginning of our year which might also help in interaction.
- Also the General Council were asked for suggestions to overcome the gaps between EC and GC.

#### **AFTERNOON SESSION (03:30 PM to 05:45 PM)**

- **EASA**
  - A presentation along with the previous year's video was presented by the Secretary. A detailed explanation of the selection procedure of delegates, the delegation fee, the workshop pattern and other particulars were explained.
- **Trophies**
  - The LIK Trophy was discussed again. INTACH collaboration was briefed out. The list of documented sites, to be formatted properly. Suggestions were noted.
  - The updates of HUDCO brief was questioned followed by a discussion of the reason for delay in brief every year. The intent of Nari Gandhi trophy to be changed as voted in FCM, the same was discussed. A trial period of one year was discussed to decide upon whether to continue or not the trophy. The reason behind debate on discontinuing the trophy was that we were deviating from the intent of the trophy.
  - A query video session was proposed for the G-SEN trophy.
  - A feedback on workshops by ISOLA held in ZNC was taken followed by discussion on the Landscape trophy. The level of the trophy has to be increased.
  - Member colleges- 5 maximum, 2 minimum  
Observer colleges- 4 maximum, 1 minimum.
