DANCE TROPHY | 2022

Art in Motion

A rhythmic movement of the body that denotes expressions of varied kinds. Be it an emotion or even an idea, all these can be expressed through dance. It can also be regarded as a powerful impulse or even a skillfully choreographed art.
Inspired by other forms of art such as sculptures and paintings, dance reflects them in its expression.
A movement, so unique,
A kind of expression with a tweak.

Showcasing reform.
