FASHION TROPHY | 2022

Architectural Style Decoded

Reminiscent of a multitude of architectural periods, each with its unique character and it's own style, this is reflected in the evolution of fashion. An inspiration translated into materiality, this mirrors a specific architectural style or period. Unravel the intricacies of these styles to create an outfit entirely new.

Each style, an innovative one,
Another of its kind, there is none.
Inspired by architecture,
Expressed in material, design and texture.
Reflecting a period's character,
Among other parameters.
